

University Community Care Plan by Community First (UCCP) offers high-quality health care coverage from a network of local, trusted, and skilled providers. As a Member, you will also benefit from exclusive access to incredible added benefits at no additional cost.

Learn about the benefits we offer and start getting the most from your health insurance!*

Complete Medical Coverage

Comprehensive medical care, including physician and specialist services, preventive care, urgent care, emergency services, inpatient and outpatient hospitalization, testing, X-rays, lab services, and more.

Dental Coverage

Dental surgical procedures and dental services for children.

Vision & Hearing

Eye and ear screenings with additional vision care benefits for children.

Diabetes Care

Diabetes self-management training, equipment, and supplies.

Allergy Care

Allergy testing, evaluation, injections, and serum.

Mental and Behavioral Health Services

Person-centered care for your entire well-being including inpatient, outpatient, and emergency mental health care, serious mental illness, and substance misuse treatment. Members can also call our 24/7 Behavioral Health & Substance Misuse Hotline to talk with a professional who is trained to help.

Preventive Care

Routine health screenings and tests from your primary care provider and immunizations, including the annual flu shot.

Extended Care Services

Skilled Nursing Facility services, hospice care, and home health care.

Maternity and Newborn Care

Prenatal and postpartum visits for pregnant women and new moms. Specialty programs, including our Healthy Expectations Maternity Program and virtual Mommy & Me Baby Showers. Breastfeeding support, counseling, and supplies, including electric breast pumps.

Pediatric Care

Well-child care, childhood immunizations, hearing and vision screenings, and pediatric dental services.

Prescription Drug Coverage

A wide range of medical prescriptions including name brand, generic, and specialty drug options.

Well-Woman Care

Annual well-woman exams, screening mammograms, and family planning services, including contraceptive methods.

Care Where and When You Need It

Doctors and specialists within a large network of care in your neighborhood. Hospitals, pharmacies, and urgent care centers provide convenient access to care when you need it most.

*Limitations, restrictions, and copays on coverage and specific benefits may apply.

ADDED BENEFITS

Community First offers the most Added Benefits to our Members. We're here to help you and your family every step of the way.

24/7 Nurse Advice Line

Convenient, after-hours phone support from a Registered Nurse who can provide medical advice and help you get the care you need.

Health & Wellness Programs

A family of no-cost Health & Wellness Programs to help you manage and learn more about your chronic condition including hypertension, asthma, obesity, and diabetes.

Pregnancy Support

Education and support for expecting moms through our Healthy Expectations Maternity Program, including a virtual Mommy & Me baby shower and more.
