⚠️ The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit https://exchange.communityfirsthealthplans.com/plan-documents/. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at SBC Uniform Glossary | HealthCare.gov or call 1-888-512-2347 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0 Individual/$0 Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. In-Network Preventive Health Care services, services with a copayment, and some prescription drugs are covered before you meet your deductible.	This plan covers items and services even if you haven't yet met the deductible amount. but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	$7,500 Individual/$15,000 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, and care this plan doesn't cover	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See https://exchange.communityfirsthealthplans.com/network or call 1-888-512-2347 for a list of participating providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay all health care costs if you use an out-of-network provider (except for emergency care), and you will receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	This plan will pay some or all of the costs to see a specialist for covered services. A referral before you see the specialist is not required.

⚠️ All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
