OB/GYN Attention Female Members

You have the right to select an OB/GYN without a referral. The access to health care services of an OB/GYN includes, but is not limited to:

- One well-woman checkup per year
- Care related to pregnancy
- Care for any female medical condition
- Referral to special doctors within the network

Community First does not limit your selection of an OB/GYN to your primary care provider's network. However, the OB/GYN you choose must be in the Community First network.

Behavioral Health

You may also seek help for a behavioral health problem. You may go to see a behavioral health specialist that is in the Community First network without a referral from your primary care provider.

Family Planning

Instead of your primary care provider or OB/GYN you may want to seek family planning services from a clinic or provider who specializes in family planning. These locations are listed in your Member Handbook or you can call Member Services for a family planning clinic or provider near you. You may seek family planning whenever you need to by calling a clinic or provider directly and without a referral from your primary care provider.

Vision

Vision services are provided by Community First. Call Member Services for assistance in choosing a vision provider. Call us if you need help (210) 358-6400 or 1-888-512-2347.

Please Note

Ginecología y Obstetricia Atención Miembros Femeninos

Tiene el derecho de seleccionar a un gineco-obstetra sin una autorización de su proveedor de cuidado primario. El acceso a los servicios de atención médica con un gineco-obstetra ofrece, pero no se limita a:

- Un chequeo de la mujer sana cada año.
- Atención del embarazo.
- Atención a cualquier padecimiento relacionado con la salud de la mujer.
- Envío a especialistas que formen parte de la red.

Community First no la obliga a que elija a un gineco-obstetra de la red de su proveedor de cuidado primario. Sin embargo, el gineco-obstetra que usted escoja debe pertenecer a la red de Community First.

Salud Mental y Abuso de Substancias

También puede buscar ayuda para problemas de salud mental. Usted puede ir a ver a un especialista de salud mental que se encuentre dentro de la red de Community First sin un envío a servicios de su proveedor de cuidado primario.

Planificación Familiar

Es posible que usted quiera recibir servicios de planificación familiar de una clínica o de un proveedor que se especialice en planificación familiar, en lugar de recibirlos de su proveedor de cuidado primario o gineco-obstetra. La lista de estas clínicas y proveedores está en el Manual para Miembros. Usted puede buscar estos servicios cuando los necesite, sin envío a servicios de su proveedor de cuidado primario.

Vista

Community First ofrece servicios de la vista. Si necesita ayuda para seleccionar a un proveedor de servicios de la vista, llame a Servicios para Miembros. Llámenos si necesita ayuda. (210) 358-6400 ó al 1-888-512-2347.
