How to Use this Directory

As long as you utilize the providers in this directory, you do not need a referral. Use this directory to find a provider for your healthcare needs.

Whatever you do, please do not spend any time being confused! Call our Member Services Department at (210) 358-6400 or toll-free 1-888-512-2347 for assistance.

OB/GYN Note Female Members

You have the right to select an OB/GYN without a referral. The access to health care services of an OB/GYN includes, but is not limited to:

- One well-woman checkup per year
- Care related to pregnancy
- Care for any female medical condition
- Referral to special doctors within the network

The OB/GYN you choose must be in the Community First network.

Behavioral Health

You may also seek help for a behavioral health problem. You may go to see a behavioral health specialist that is in the Community First network without a referral.

Family Planning

Instead of a primary care provider or OB/GYN you may want to seek family planning services from a clinic or provider who specializes in family planning. These locations are listed in your Member Handbook or you can call Member Services for a family planning clinic or provider near you. You may seek family planning whenever you need to by calling a clinic or provider directly and without a referral.

Vision and Dental

Vision and dental services are provided by Envolve. Call Member Services for assistance in choosing a vision and/or dental provider. Call us if you need help (210) 358-6400 or 1-888-512-2347.

Ancillary Providers

Call Member Services at (210) 358-6400 or 1-888-512-2347 for Ancillary Provider Information.

Nota de servicios de ginecología y obstetricia para Miembros femeninos

Tiene el derecho de seleccionar a un gineco-obstetra sin una autorización previa. El acceso a los servicios de atención médica con un gineco-obstetra ofrece, pero no se limita a:

- Un chequeo de la mujer sana cada año.
- Atención del embarazo.
- Atención a cualquier padecimiento relacionado con la salud de la mujer.
- Envío a especialistas que formen parte de la red.

El gineco-obstetra que usted escoja debe pertenecer a la red de Community First.

Salud mental y abuso de sustancias

También puede buscar ayuda para problemas de salud mental. Usted puede ir a ver a un especialista de salud mental que se encuentre dentro de la red de Community First sin autorización previa.

Planificación de familia

Es posible que usted quiera recibir servicios de planificación familiar de una clínica o de un proveedor que se especialice en planificación familiar, en lugar de recibirlos de un proveedor de cuidado primario o gineco-obstetra. La lista de estas clínicas y proveedores está en el Manual para Miembros. Usted puede buscar estos servicios cuando los necesite, sin autorización previa.

Vista y dental

Envolve ofrece servicios de la vista y dentales. Si necesita ayuda para seleccionar a un proveedor de servicios de la vista, llame a Servicios para Miembros. Llámenos si necesita ayuda. (210) 358-6400 ó al 1-888-512-2347.
